

PIRANHA - SMALL FLOODLIGHT

The PIRANHA is your choice if you are looking for a powerful yet very compact light source. The Piranha is ideal for use in heavy machinery such as cranes, shovels and foundation rigs, but thanks to its excellent corrosion resistance, it is also suitable for commercial marine and offshore applications.

The PIRANHA housing is designed for world's toughest surroundings. All our housings make use of a chrome conversion coated and dual layer powder painted high (x-ray tested) grade aluminum. This model includes a series of electrical protections including the following: thermal, surge, over voltage and dump load protections. With these protections we can offer at least 5-year warranty through our complete productline.

PI9 70DC

Power : 70W
 Light output : 8.400 lm
 Efficiency : 120 lm/W
 Voltage : 24V (20-35V)

PI6 55DC

Power : 55W
 Light output : 6.300 lm
 Efficiency : 115 lm/W
 Voltage : 12-24V (10-35V)

PI9 45DC

Power : 45W
 Light output : 5.300 lm
 Efficiency : 117 lm/W
 Voltage : 24V (20-35V)
 Light colour : 2200K

Piranha Specifications

IP-rating : IP69K
 Expected life span : 145 000 hours, L80B10
 Light angle adjustment : -45° \leftrightarrow +90° step-less
 Cable type : PUR + DT04-2P Deutsch plug

Weight and packaging

Lamp weight : 2.9 kg
 Bracket weight : 0.2 kg
 Gross weight : 3.1 kg
 Product dimension : 150 x 122 x 115 mm
 Packaging dimension : 170 x 170 x 160 mm

Available options

Light angles : 14° - 38° - 70° - 14x46°
 Light beam colour : 6500K - 4000K - 2700K - 2200K

Compatible with many accessories such as this automatic tilting mechanism

Piranha mounted on a caterpillar deep in Australian mines
