# DCbright Wallpack

Glare-free Area Lighting 9.600 - 16.000 lm

Patented reflector technology

## Wall Pack: Wall Mounted Luminaire.

Introducing the Dark Licht WP series, a revolutionary wall-mounted luminaire designed for high-performance and superior visibility. This sleek lighting solution provides uniform, glare-free illumination with virtually no spillover, thanks to its unique deep parabolic reflector. With an adjustable forward throw range of 63° to 75°, it can be easily customized to meet the specific lighting needs of any space. Featuring high-efficiency LEDs that deliver up to 160 lumens per watt, this luminaire not only maximizes energy savings but also reduces the number of fixtures needed for broader coverage. Whether you're lighting up outdoor spaces, architectural elements, or creating a focused ambiance, the Dark Licht WP series offers adaptable light distribution, along with a robust construction that is rated for both durability and long-lasting performance. Available in two models, the DL-WP60-AC and DL-WP100-AC, this luminaire combines functionality with cutting-edge design.

## Dark Licht WP-series: Common Specifications

<b>Size</b> 340 mm x 180 mm x 100 mm 12.6 in x 7.1 in x 3.9 in	<b>Ingress / Impact Protection</b> IP69, IK08	<b>CCT</b> Standard: 4000K Optional: 1700 - 5700K
<b>Weight</b> 4.0 kg / 8.8 lb	<b>Color Consistency</b> < 3-Step McAdams Ellipse	<b>Optical Adjustment</b> 63° - 75° Full cut-off
<b>Operating Temperature</b> -40°C / -40°F < 50°C / 122°F	<b>CRI</b> Standard: 70 Optional: 80, 90	<b>Optical Distribution</b> Asymmetrical, w/field-adjustable cut-off
<b>Cable / Remote Driver</b> 30 cm Neoprene	<b>Lumen Maintenance</b> 345,000 hr, LM70	<b>Limited Warranty</b> 3-5 years

## Dark Licht WP-series: Light and Power Specifications

Model Number	Lumens	Efficacy @ 4000K/5700K CCT	Power (Watts)	Voltage	Driver
<b>Dark Licht WP series</b>
